- We will gather quotes from your exclusive suppliers and present them to you so you can select who you would like to be part of your dream team.
- As a client of Couture Wedding Planning you will have access to exclusive upgrade and discounts from our Luxury portfolio of suppliers.
- Budget Management is an important part of this package, this includes:

We will start out with an initial budget estimate.

Then proceed by filling in the actual amounts once we receive your quotations.

This is followed by recording your deposit payments to lock in the date with the supplier.

Couture Wedding planning will inform you of when all progress payments are due and a final payment summary of amounts and dates will be provided to you as the wedding approaches.

- RSVP Management is an exclusive service included in the Haute Couture Experience this allows Couture Wedding Planning to receive all your RSVP reply cards so they can record who is attending the wedding including their dietary requirement etc.
- Wedding Day Timeline Management - Couture Wedding Planning will create a comprehensive timeline for your wedding day including all the timings for each of your suppliers as well as specific times for your movements on the wedding day such as hair and make up start and finish times, when your photographer will arrive

and when you cars will come to collect you etc. This is something we develop together with your suppliers but there is not need to think about the timeline on the wedding day, as we will be there to prompt you when certain things will be happening so you can enjoy the best day of your life.

- Attendance at the wedding rehearsal the week before the wedding.

This package also includes Wedding Day Management

- Your exclusive Wedding Planner will be On-hand to assist you with everything on your wedding day for up to 12 hours.
- Our Wedding Planner will make sure that all suppliers are in the correct place at the correct time.
- Our Wedding Planner will make sure both your ceremony location and reception venue are set up and decorated to the standard that the client is to expect and to the requirements discussed over the course of the wedding planning.
- We will double-check all seating allocations of guests.
- We will make sure that we are address any of your concerns and find solutions to challenges that may occur during the day.
- Your Wedding Planner will liaise with your Reception Venue to ensure they keep to time and follow through with all the requirements discussed.
